

Fundraise for LHON Collective: Host a Lemonade Stand

Introduction

A lemonade stand is a classic fundraising idea, and it's easy! You'll find a spot to set up (your neighborhood may be just perfect), have a pitcher (or a few) of lemonade made, and be ready to offer passers-by a refreshing glass for the price of a donation.

What you may need

- Lemonade
- Cups
- Signs
- A money jar

How do you collect donations?

Typically, donations are collected in cash, but nowadays, people can make donations right on their phones. You can have them donate directly at [LHON.org](https://www.lhon.org), or you could set up a [JustGiving](https://www.justgiving.com) page for your lemonade stand and collect your donations in one place. A QR code at your table would be perfect!

How to Promote Your Event

First, you'll want to make signs to let passers-by know what you're up to. You may also want to promote your stand on social media (don't just post once) and/or email and text your friends and family to let them know to stop by.

Fun alternative ideas

Organize a bake sale, yard sale, or craft sale.
