

Fundraise for LHON Collective: Host a Game Night

Introduction

Hosting a game night is easier than it sounds and can be done in person or online (there are many virtual gaming websites to choose from). Choose a game that your friends will enjoy. Have them reserve their spot to play by making a donation. You could gather at home or meet up at a local game-friendly spot.

What you may need

- Game(s) to play
- Snacks and drinks
- Prizes for the winners

How do you collect donations?

Typically, donations are collected in cash; however, nowadays, people can make donations directly on their phones. You can have them donate directly at [LHON.org](https://lhon.org), or you could set up a [JustGiving](https://www.justgiving.com/) page for your lemonade stand and collect your donations in one place. A QR code at your table would be perfect!

How to Promote Your Event

Post on social media, tag close family and friends, and your venue if you're using one. Ask the venue if they will repost to their account to reach more followers. Also, print and post signs with QR code at and near the venue.

Fun alternative ideas

Game watch-party fundraiser. Gather friends for food and drinks to watch a pro game and ask for donations!
